BEFORE I KNEW IT MAYA HAD ALREADY BECOME A MODEL
HUH... IS THAT YOU?
AND ...
YOU COULD RECOGNISE ME BY MY BACK?
Yeah...
I could tell right away.
...LOOKING AT YOUR EAR AND HAIRLINE...
...WHEN DID YOU BECOME A MODEL?
That's amazing...
SILLY, IT'S NOT LIKE THAT.
They were really desperate.
So it was just that once.

DURING THE EVENT I WENT WITH LUKA BEFORE, THERE WAS A COORDINATOR FROM A CASTING COMPANY....
EHH, SOUNDS TROUBLE-SOME.
DON'T SAY THAT!! I'M LOOKING FOR A CHARISMATIC AMATEUR! I'M BEGGING YOU!!
WHY DON'T YOU GIVE IT A TRY?
EHH
... NOT INTERE-STED ...
YOU ONLY HAVE TO SHOW YOUR BACK! AND YOU GET TO HAVE CLOSE NAKED CONTACT WITH THE SEXY SEIRA!
WHAT'D YOU THINK!?
C'MON, JUST TRY IT.
I THINK YOU SHOULD BE MORE PROUD OF IT
BE PROUD OF JUST SHOWING MY BACK?
HA HA
THAT'S KIND OF LAME
IS IT REALLY...?
YOU SEEM REALLY SUITED TO BE A MODEL
NAH, IT'S NOT FOR ME I DON'T HAVE THE STRENGTH TO BE ABLE TO LAUGH IT OFF
WHEN PEOPLE MAKE COMMENTS LIKE "WHAT'S SO GOOD ABOUT HIM?" AND STUFF

I DON'T THINK THERE'D BE PEOPLE WHO WOULD SAY STUFF LIKE THAT THOUGH
MEGO
MEGO

WELL, WHY DON'T YOU TRY IT ON?
GLOOM
WHY DON'T YOU TRY SOMETHING ELSE THEN?
DID ANYTHING CATCH YOUR EYE?
OPEN
HOW IS IT?
AHA HA HA HA HA HA
IN THE END
HAD TO BE TAUGHT HOW TO WEAR IT PROPERLY
POUT

YOU'D SCARE THE HELL OUT OF YOUR MOTHER.
That's true.

In the survey taken during the autograph session, many picked "Make Maya a butler" so I tried drawing that in the extra. I took the chance to draw the opposite version here as well
Horse-riding huh... That's tiring...
He'd rather mount that guy than a horse...

Afterword and stuff...

This volume is really sweet so how did you like it?
Volume 5 was pretty serious so I decided to draw a sweeter and warmer Volume 6.
It was really fun drawing them on their date. (´ω`)
Readers sometimes ask me, "Why can't Nemu be a little more stylish?" But Umm Straight bangs and briefs are. (˘ω˘)
I like ordinary guys who get showered with love by handsome guys, so I don't plan on making him stylish but I will (continue to) make him cute from time to time so I think it'd be nice if people could look forward to that
Also, about the whole, "Maya's back was in an advertisement" incident, there were some people crying "Make Maya a star!", while others cried, "please stop this here. !" That made me think that different people really do find different things cute. (lol)
About Shimakawa and Akira's relaxed honeymoon arc, it worried me because I started to question if it was alright for it to be so relaxed, but considering there weren't many sexy parts in Akira's arc, I'm happy that so many people still had fun reading about how well the two of them have been getting along since they started dating. When men who are usually mature act like children, or when I see the faces that my male friends show to each other, I always fantasize about what they're really feeling in their hearts.
So personally, it's fun to draw the gap between the inner and the outer Shimakawa (^ω^) I've drawn cross-dressing stories countless times before which made me worry that this time it might lose its moe so then I thought, how about making Maya crazy attracted to him ? When I started drawing with that in mind it was so fun.
And there's also the new character, Kutani! After Volume 5 was published there were many people saying, "Give Okino a boyfriend too!" During the storyboard I contemplated heavily about what kind of character he should be so I made him into a "he's handsome once he takes off his glasses" character that I've been wanting to draw for a long long time. I also thought that it was really manga-like!! However a few years ago on TV, I saw a high school girl who was doing Yabusame*. She wore super thick glasses and was plain but when she did Yabusame she wore a Hakama and contacts so her face looked sharp and it turned out that girl had exceedingly pretty eyes. As such, Kutani became a character with an unpolished -> Prince-like face.
I look forward to drawing more of Okino's love story here and there.
I'll be happy if you read my next volume too
